Dear Parents and Carers,

CONSULTATION ON PROPOSED ACADEMY CONVERSION

Following many months of research, the Governors at St Oswald's CofE Aided Primary School have taken a decision to enter a consultation process about applying for academy status and joining Chester Diocesan Academies Trust (CDAT).

In considering applying for academy status, school leaders and governors have met with representatives from the Chester Diocesan Board of Education and from Chester Diocesan Academies Trust (CDAT) and have talked to other schools who are already part of CDAT and to other local schools. The Governors also looked at, and heard from other Multi Academy Trusts that St Oswald's would be eligible to join. CDAT is the multi-academy trust that was originally established by The Diocesan Board of Education for schools in the Diocese who wish to take advantage of the academy model. We strongly believe this would benefit our pupils and staff enormously.

RATIONALE

In the publication of the recent School White Paper, the Government vision is for all schools to join multi academy trusts by 2030. In anticipation of this, the Governors have spent some time looking more closely into whether an academy model would be in the best interests of the children, teachers and staff at St Oswald's CofE Aided Primary School. The Governors are keen that St Oswald's CofE Aided Primary School have full control of when and how they go forward with academy status, without pressure from Government departments. As one of a number of schools currently considering academy status, our Governors consider that joining Chester Diocesan Academies Trust (CDAT) now will be a positive step for the school.

THE PROPOSAL

The Governing Body at St Oswald's CofE Aided Primary School believes that the best plan for the school is to become an academy and join Chester Diocesan Academies Trust (CDAT).

As a Church school, we embrace any opportunity to strengthen our links with the Diocese of Chester, which we would do as an academy within the Trust. The Diocese already work closely with St Oswald's CofE Aided Primary School and have provided high-quality support in areas such as governance, school improvement etc. Becoming an academy would give us increased access to this support from a partner that we know and with whom we share a common Christian ethos. CDAT have received significant interest from other schools across the Diocese who would like to join the Trust, demand has been high especially from those schools that are judged to be Good or Outstanding. Strengthening our partnerships with these schools would have clear

benefits for St Oswald's CofE Aided Primary School and the additional support available through a Trust model would be an advantage of becoming an academy.

The proposal is that St Oswald's CofE Aided Primary School converts to academy status and joins Chester Diocesan Academies Trust (CDAT) on 1st March 2023.

QUESTIONS AND FEEDBACK

Governors are now entering the consultation phase. We know that the debate around academies has been predominant in recent times, and we would like to make sure that the entire school community has had an opportunity to ask questions about what academy status means for St Oswald's CofE Aided Primary School. The consultation period will run from **23rd May 2022 to 27th June 2022**.

We are therefore holding a meeting whereby we would welcome the opportunity to talk to you about academy status. The meeting will be held at the school as follows:

On Wednesday 15th June 2022

- Parent/Carer meeting 5.30pm - 6.30pm
